Yankee Whoopie Prize: Created by long-time festival judge and whoopie pie aficionado, Jim Bailey the Yankee Chef, the Yankee Whoopie Prize celebrates the best use of true Yankee ingredients. The Yankee Whoopie Prize will be judged on its use and creativity of one or more of the following ingredients: Pumpkin, Blueberry Pie, Coffee, including espresso and mocha (after New England's own Autocrat coffee), Cranberries. Needham (best representing flavor of Needhams and use of potato) The winner receives a Yankee Chef prize package valued at \$200.

People's Choice Award: We will be selecting the People's Choice Award by text voting. Attendees will text (877)732-4075 with your baker name to vote for you as their favorite baker. We will provide one 11x17 sign for your booth with this information, but please feel free to make other signage yourself. We will have staff who will scan incoming votes and correctly tally misspellings and variations in your name. The People's Choice Voting will close at 3pm and winners will be announced by 4pm. Only attendees at the 2025 Maine Whoopie Pie Festival are eligible to vote by text for the People's Choice Awards. We will be scanning social media and any bakers encouraging voting by fans outside the festival will be eliminated from the contest. No exceptions.

*All Bakers will also receive a wooden plaque after the festival.
It will list their awards and/or celebrate their Festival participation!*

Baker Contest Procedures

- In order to ensure speedy set-up and judging, we will be contacting all bakers the week before the festival to find out what categories you will be entering and what whoopie pies you will be submitting for judging.
- While setting up, volunteers will collect your entries for the *Best Traditional*, *Best Flavored*, *Healthy Whoopie Prize*, *Yankee Whoopie Pie*, and *Best Allen's Coffee Brandy Whoopie Pie*. You may enter **ONE Whoopie Pie** in each category. You don't have to enter all categories.
- New Bakers will designate one of their submitted whoopie pies to be considered for the "Best New Baker" award.
- Bakers may submit an entry for the Most Creative Whoopie Pie Name to the volunteer. This must be the name of a whoopie pie being sold at the festival. However, bakers do not have to submit the whoopie pie itself - just the name.
- Winners will be announced the afternoon of the festival. We will also visit each winner's booth to give you the good news.
- **Please Be Kind to Our Judges:** These awards are determined by our panel of volunteer judges based on their own standards of Whoopie Pie Excellence. They have a very difficult job, so please do not make it harder by accusing them if their opinion differs from yours.

Procedures for Samples and Tokens

Festival attendees will receive tokens (wooden nickels) when they enter the festival and can purchase more for .25 each. They will bring these tokens to you, the bakers, and exchange them for a sample of a whoopie pie. The size of the sample is entirely up to you. You should give them enough of a taste that they'll want to buy some Whoopie Pies to take home, but keep it small enough that you don't run out too soon. During the festival, volunteers will collect your tokens to recycle throughout the day. Within 24 hours of the end of the festival, we will email you a short questionnaire about the festival, including how many samples you gave out in total. We will reimburse you 20 cents for every sample. You will receive the check 1-2 weeks after the festival.

If you choose to donate the sample money to the Center Theatre we will gladly send you a donation letter for tax purposes. The Maine Whoopie Pie Festival is the single largest fundraiser for the Center Theatre, supporting our mission to engage and inspire by making arts, education, and entertainment accessible to our rural communities.

If you have any questions, please don't hesitate to contact Patrick Myers at the Center Theatre. The best way to get in touch is by email at whoopiepie@centertheatre.org. Thank you!

Baker FAQ

Here are some answers to frequently asked questions. If you have more questions please don't hesitate to get in touch with Patrick Myers at (207) 564-8943 or WhoopiePie@centertheatre.org

1. **How many whoopie pies should I bring?** The easy answer is "As many as you can." We recommend a minimum of 500 whoopie pies, but expect to run out early if you don't bring more. If you want to have enough to last the whole day we recommend at least 1,500 or 2,000.

2. **When can we setup and break down?** The Piscataquis Valley Fairgrounds will open at 7:00 am and you can start setting up. Your vehicles will need to be in their designated spots by 9:00am. While you can break down your booth before 4pm, you will not be able to bring your vehicle into the festival area until after 4pm.

3. **What licensing do we need and will you be reviewing it?** We are not experts on Maine Food Service regulations. Because of this we will not provide advice and suggest any questions be directed to the appropriate agency within Maine State Government.

4. **How should we set up our booth?** Some people just want samples, while others just want to buy whoopie pies. We strongly suggest you set up two lines, with signage that can be read at a distance, so if people just want to buy whoopie pies they won't have to wait in the sample line.

5. **Do you provide tables and chairs?** No, sorry. With everything going on at the Festival we don't have access to extra tables or chairs. If you are interested in renting something in the area, please call Penquis Rental at (207)564-2476 as soon as possible.

6. **Do you provide signs for us?** No, you are required to bring your own signage. We strongly recommend a large sign, viewable at a distance, that has a list of the different types of whoopie pies that you are bringing.

7. **How do the samples work?** A large part of the festival is people being able to get samples of new kinds of whoopie pies or try to find their favorite traditional whoopie pie. We give 4 tokens to everyone who comes through the gate and they can buy more from the Festival for .25 cents a piece. They will then give these tokens to you in exchange for a sample. Festival volunteers will come around periodically to collect tokens. We suggest keeping track of how many whoopie pies you cut up for samples so that at the end of the day you know how many total samples you gave out. The Festival will reimburse you .20 cents per sample.

8. **How do the judged prizes and contests work?** We have a panel of festival judges who conduct blind tastings on all entries. The judges do not know what baker submitted the entries they are judging nor do they know the winners until after the judging is completed. The only contests they do not judge are the People's Choice Award. All prizes and awards will be announced by 4pm.

9. **How does the People's Choice voting work?** Festival Attendees select the People's Choice Awards by text voting. Attendees will text (877)732-4075 with their votes. We will provide one 11x17 sign for your booth with this information, but please feel free to make other signage yourself. Only attendees at the 2025 Maine Whoopie Pie Festival are eligible to vote by text for the People's Choice Awards. We will be scanning social media and any bakers encouraging voting by fans outside the festival will be eliminated from the contest.
